

Piedmont COVID-19 VDH Update

2/10/2021

COVID-19 Piedmont District Announcement

The Virginia COVID Call Center went live on February 10, 2021 at 8 pm. The Call Center will be the single point of registration for the COVID vaccination within our district. This is a change in the State's policy of calling the local health department to schedule appointments. The phone number to call the Center to have your name placed on a list for the vaccine is:

1-877-275-8343

CVS is now also offering vaccines and an appointment can be scheduled using this link:

<https://www.cvs.com/immunizations/covid-19-vaccine>

NOTE: It is okay to schedule an appointment with both VDH and CVS. Once you receive your vaccine, your name will be removed from the other provider's waiting list. Also, you are strongly encouraged to sign up for the second vaccine shot at the time you receive your first vaccine shot.
